

*Prof. V. KRISHNAMURTHY*

Current: Director, KIA

A PhD from University of Manchester at 1951, has an experience of over 55 years in field of algae. The whole algae movement in India has been happening through this person, among the first in this field across the world there is no bound to the amount support he has given us. To write about his accomplishments it would take over 4 pages!

- Research Papers published: 138
- Books edited: 8
- Books authored: 3
- Books under preparation: 2
